DAN LYONSMITH

is the
Experienced,
Compassionate
Leader We Need

No matter what we look like or where we come from — **all our kids deserve the freedom to learn and to pursue their dreams.**

But right now, our schools are being held back by mismanagement, lack of communication, and financial crisis.

Dan Lyonsmith is the father of three D65 students who has spent his career **helping families build a brighter future** at the Illinois Department of Human Services and the U.S. Department of Labor.

Dan's **experience managing multi-billion-dollar tax-payer funded programs** and protecting the vulnerable make him the leader we can trust to:

- **Empower every student to succeed**, regardless of their ability, zip code or the color of their skin.
- **Responsibly manage our tax dollars** to make sure our students, teachers, and school staff have what they need to thrive.
- **Promote transparency and accountability** through open communication and clear explanations about the reasons behind decision-making.
- **Listen to parents, teachers, students, and neighbors** to make sure everyone has a seat at the table.

Vote Dan Lyonsmith
District 65 School Board
Election Day is **April 1**
